## Case Submission Form

**Executive Presentations** has provided Southern California's top lawyers with powerful and effective courtroom presentations including custom designed computer generated exhibits, animation, legal video services, electronic trial presentations and PowerPoint. Experienced consultants analyze your case and help you determine the best way to break down even the most complex information into concise presentations that the jury will understand and remember.

You can also view our online sample book at: [www.executivepresentations.com/portfolio](http://www.executivepresentations.com/portfolio)
